No. 6465.—EXAMINATION OF CHINESE INTERPRETERS.—

The Secretary for Chinese Affairs, Federated Malay States, will hold an examination under the Scheme for Chinese Interpreters of 1921 at the Chinese Secretariat, Kuala Lumpur, on the 1st of December, 1925, and subsequent days.

Any Interpreter wishing to present himself for examination for extra qualifications must forward to the Secretary for Chinese Affairs, Federated Malay States, through the Head of his Department, an application to that effect accompanied by a copy of statement of his service and (unless he is a Certificated Interpreter) a copy of any certificate held by him.

No candidate will be allowed to present himself for examination for more than one pensionable increase at the same time.

Applications should reach the Secretary for Chinese Affairs by November 24th, 1925.

Heads of Departments when forwarding such applications are requested to report upon the work of the applicant.

In order to avoid Interpreters wasting unnecessary time in Kuala Lumpur, applicants will be notified on which day they should present themselves for examination.

In places distant from Kuala Lumpur or where access is difficult, as in the case of Kuantan and Pekan, applicants should state the day or days of the week which are best suited to enable them to return to their appointments with as little delay as possible.

Certificated Interpreters who have reached the salary of \$1,800 per annum will be required to present themselves for re-examination before the Certificates of Efficiency prescribed by section 8 of the New Certificated Interpreters' Scheme will be granted.

Secretary for Chinese Affairs, F.M.S.

Visible writing on which the light is thrown whatever the position of the machine. Typing to the extreme top or bottom of the paper or card used. Unfailing regularity in the spacing and alignment of the writing.

96 Characters.
 Visible Writing—of course.
 Two-colour ribbon.
 Stencil cut-out. Back-spacer.
 Tabulator.
 Variable line spacing.
 Light touch.
 High-speed escapement.
 Quiet action. Paper guide.
 Special card feed.
 Interchangeable type and keyboard.

**CHEQUE WRITING
 ATTACHMENT.**

Special pin-point type can be supplied for writing cheques and documents. The pin-points prick the ink right through the paper, preventing fraudulent alteration.

The "Imperial" Typewriter is now becoming known as the most up-to-date and convenient machine on the market; the construction of this machine is extremely simple, having fewer parts to get out of order than almost any other. It is very strong and yet not bulky.

These three illustrations show the simple method of removing the Type Units. (Vide Instruction Book.)
